Rev. & Dear Sir

It is thought by some of our people that you might be inclined to take the pastoral charge of our Evangelical Church & Society after the Pulpit is vacated by Mr. Wilde, at the same time retaining your situation as Agent of the Antislavery Society. Please inform me immediately on the receipt of this if such an arrangement can be effected. Knowing our people were much interested when you were here I have thought best to make the above enquiry principally on my own responsibility. As one of the Committee for Supply I mentioned your name at one of our meetings, but the presumption was then that you could not be had at any rate.

We do not know that we have any one engaged at this time, altho at our last meeting, each Committee were expected to make enquiry.

Please inform us soon

S. H.

Yours Respectfully

Delano Pierce

We have formed an Antislavery Society having a large number of members. I have been expecting you to give us another lecture
